The Hawai'i Small Business Development Center (SBDC), established in 1990, provides professional business advisory services to our clients on a no-cost basis. We also provide market research and training to business owners and new entrepreneurs to support growth, innovation, productivity, and management improvement. The Hawai'i SBDC is a program of the University of Hawai'i at Hilo, funded in part through a cooperative agreement with the U.S. Small Business Administration (SBA). For more information and to schedule an appointment, visit our website hisbdc.org.
