

User Management Help

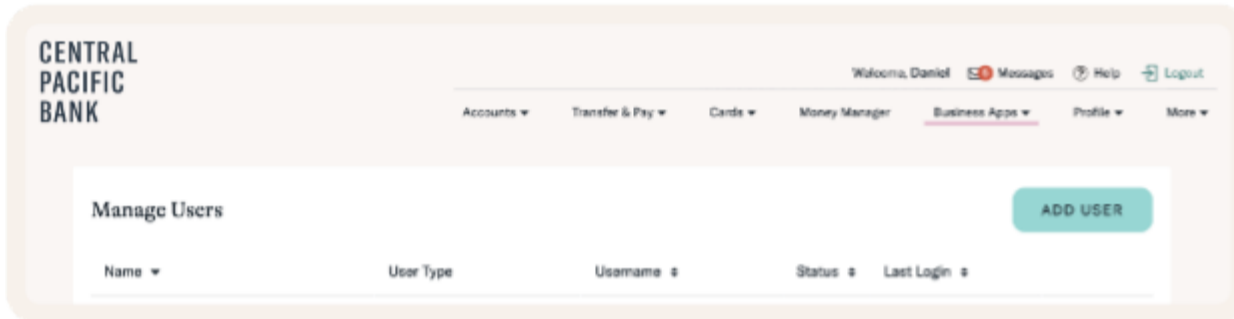

CENTRAL PACIFIC BANK

User Administration - Add a user

1. Navigate to Business apps > User Administration > Manage Users

2. Add a user

3. Enter applicable information, keeping in mind that fields with an asterisk (*) indicate required fields.

Username must be 8 to 25 characters long; special characters are allowed.

Passwords must be 8 to 32 characters long and must contain 3 out of the following: One uppercase letter, one lowercase letter, one number, and a special character (~!@#\$\$%^&*()_+={}|:;?.,/)

This user can access this account via the temporary password for 15 minutes. If the user does not log in within that time, a new password will have to be reset.

Please input at least one phone number for the new user, because the new user will need it for security purposes.

5. Removing a user

If a user needs to be removed, it's important to mark the user as Disabled. This will ensure that any ACH batches the user might have created do not get cancelled.
